Terms and Conditions of Sale

ORDERS: State size desired and give specific shipping instructions—whether by freight, express or motor, date of delivery and to whom notice of delivery and invoice is to be sent. If no shipping instructions are included we will ship by best carriage. If no date is specified we will ship at once or as soon as weather or conditions of plants allow.

LINING OUT STOCK. Lining out material is shipped bare root with the roots puddled and protected with damp moss. Azaleas and Rhododendrons having a natural ball are protected with paper.

SPECIMEN PLANTS. All specimen stock is shipped balled and burlapped except small Boxwood and Lilacs. These items are mossed.

TRANSPORTATION. All shipments are adequately and carefully packed; and shipped over the Central New Jersey or Pennsylvania Railroads, or by motor freight. We can arrange truck load deliveries to Philadelphia for \$18.00, New York City \$35.00 and Baltimore \$35.00, other distances in proportion.

PRICES We quote 1 to 50 plants of ONE KIND at the 10 rate, 50 to 300 at the 100 rate and over 300 at the 1000 rate. Packing at cost of material.

TERMS: Orders from NEW CUSTOMERS not accompanied by cash or references will be shipped C. O. D.. Your bank and two business houses with whom you have dealt three or more years are considered necessary references. REGULAR ACCOUNTS are due net 30 days or 2% discount 10 days. When cash accompanies order packing is not charged.

GUARANTEE: Our stock is true to name and is of size and quality represented. We give no other guarantee of warranty.

INSPECTION: All plants shipped OUTSIDE the Japanese Beetle Quarantine ARE accompanied with a Japanese Beetle Certificate. Shipments INSIDE the Japanese Beetle Quarantine Zone will NOT have a Japanese Beetle Certificate unless requested. All shipments ARE accompanied with a New Jersey Nursery Certificate of Health.

CLAIMS: If stock is unsatisfactory, claims should be made promptly upon receipt of goods. No claims after 10 days.

Rhododendron Catawbiense Hybrid—We are America's largest growers of hardy hybrid grafted Rhododendrons and offer an unusual selection of varieties. Our plants are exceptionally hardy, being produced under open field culture, and have compact tops, splendid root system and abundance of buds.

—**Album elegans**—white. A rapid growing tall variety recommended for back-grounds. Buds are flesh color and flowers open blush fading to white. Extremely hardy.

SPECIAL LANDSCAPE GRADE

RHODODENDRONS

In the thousands of Rhododendrons growing on Koster Nursery there are naturally many plants that are irregular in shape or poorly budded, etc., but they are all perfectly healthy plants even though they are not specimen plants. These Rhododendrons are excellent for naturalizing, bedding and massing where specific colors are required. We offer these landscape grade Rhododendrons in assorted named varieties containing mostly President Lincoln, Roseum elegans and Catawbiense grandiflorum and smaller amounts of other varieties.

100 Rhododendrons 2 ft. \$175.00, net
